BRANDED INGREDIENTS

Amicogen

Chinositol™

D-Chiro-Inositol for women suffering from PCOS. Helps control blood glucose levels. 200 - 1200 mg/day.

Collagen-Tripep20™

Collagen tripeptide standardized for >30% tripeptides and >3,2% of the key tripeptide gly-pro-hyp. Neutral Taste. Clinically proven at a dose of 1g/day.

GreenNAG™

Derived from crustacean shells. It boosts skin, joint, and gut health with superior stability and bioavailability. 500-1000 mg/day.

Anthem

ArrowZyme™ SP 100

A potent systemic proteolytic enzyme that supports pain relief, inflammation reduction, and may aid in stress-related symptoms. 2000 U/mg.

Q10 Acetate

A stable, bioavailable Coenzyme Q10 (ubiquinone) acetate form that combats oxidative stress, supports mitochondrial function, and promotes cardiovascular and anti-ageing benefits.

Arandovo

MKARE®

MKARE® is a natural eggshell membrane rich in bioactives, offering multiple health benefits in one supplement. Human: 300 mg/day, Pets: 15 mg/kg/day

Asoltech

AsolNAC

A high-purity N-acetylcysteine (NAC) ingredient known for replenishing glutathione, reducing oxidative stress, and supporting healthy ageing and detoxification. 300 mg/day.

Fitoplancton

TetraSOD™

Superoxide dismutase (SOD) 30000 U/g. First shield against oxidative stress and perfect ingredient for cellular health. 10-25 mg/day.

Gencor

ActivAMP™

Adaptogenic extract of Gynostemma pentaphyllum that upregulates alarmins that activate AMPK - „master metabolic regulator“. 450mg/day.

Calmaluma™

Caralluma Fimbriata extract. Clinically validated for easing anxiety and stress. 1g/day.

Genopause™

Blend of four Ayurvedic herbal extracts clinically proven to reduce menopausal symptoms (hot flashes, mood changes, sleep disturbances). 1g/day.

HydroCurc®

Cold water dispersible (LipiSpense®) Curcuma longa extract powder. Over 85% curcuminoids. 750 mg/day.

Levagen® and Levagen®+

High quality palmitoylethanolamide (PEA). Clinically proven for joints health, sports recovery and sleep. Water dispersible. 175-350 mg/day.

Libifem®

Fenugreek extract. Reduces menopausal symptoms, hot flash & night sweats. 600 mg/day.

Testofen®

Fenugreek extract. Supports levels of free testosterone. Promotes sexual desire and vitality. Helps reduce symptoms of andropause. 600 mg/day.

GHA

IGOB131®

Natural extract of African mango, improving metabolic health and weight management. Clinically proven. Targets leptin, adiponectin, CRP and cholesterol. 300 mg/day.

BRANDED INGREDIENTS

Halavet

Collagen Hydrolysate > 97% bovine

High-quality bovine collagen hydrolysate (> 97%).

Iminotech

Q-actin®

Cucumber extract with high levels of ido-BR1. Clinically proven. 100% natural ingredient that improves joint health and healthy ageing at 20 mg/day.

Ingredalia

Sulforaphan-Smart

Up-cycled broccoli-by-product in a patented bilayer delivering highly bioavailable sulforaphane for immune and cellular defence. 100 mg/day.

Karallief

KaraCalm

Standardized herbal blend targeting stress, anxiety, and sleep quality; supports relaxation and mood balance. 500 mg/day.

KaraHeart

Synergetic herbal extract clinically proven to support cholesterol balance, triglycerides, and heart health. 1000 mg/day.

KaraLiv

Proprietary herbal formula supporting liver detoxification and kidney function; targets enzyme balance and oxidative stress. 1000 mg/day.

KaraShield

Standardized botanical blend designed to enhance immune response and respiratory health. 500 mg/day.

Keraplast

KeraGEN IV

Proprietary bioactive keratin complex rich in cysteine, supports hair strength, nail growth, and wrinkle reduction by boosting collagen IV/VII production at 400 mg/day.

KSM-66

KSM-66 Ashwagandha®

World's most studied ashwagandha root extract. 24 clinical trials. Full-Spectrum/vegan/ECO. 250 - 600 mg/day.

Leiber

InterYeast™ Vital

Pure brewer's yeast that supports the body's resistance, vitality and performance.

Yestimun®

Brewer's yeast 80% Beta-Glucan. Immune system modulation effect. Reduction of common colds. Anti-inflammatory effect. 250-900 mg/day.

MCB

CollaGEM-V®

Planted-based collagen booster with natural vitamin C. Provides the necessary nutrients to synthesize collagen in the body (type I and III). 1500 mg/day.

Natural Remedies

BacoMind®

Patented extract with 9 bioactive ingredients derived from *Bacopa monnieri*. Improves memory and cognition. 225-450 mg/day.

GutGard™

Management of *H. pylori* and alleviates symptoms of functional dyspepsia. Compatibility with probiotics and digestive enzymes. 150 mg/day.

Holixer™

Ocimum extract for sleep and stress. Herbal adaptogen. Low dose and clinically tested. 250 mg/day.

KalmCold™

Phytochemical standardized to 30% andrographolide and diterpene lactones from *A. paniculate*. Relieves symptoms of common cold. 200 mg/day.

BRANDED INGREDIENTS

Niagen Bioscience

Niagen

Patented, clinically proven form of nicotinamide riboside (NR) that raises NAD⁺ levels to support healthy ageing, energy metabolism, cognition, and immune resilience. 300 mg/day.

NOUS Energy

Koncentra

Water-soluble co-extract. A clean, crash-free caffeine alternative that heightens energy, cognition, mood stability and sports output. 500 mg/day.

NuLiv Science

Astragin

Botanical blend that enhances intestinal nutrient absorption, fortifies gut-wall integrity and supports immunity. 50 mg/day.

Astrion

Botanical complex to stimulate endogenous collagen + hyaluronic-acid synthesis for beauty and joint health. 250 mg/day.

SenActive

Herbal blend to elevate muscle ATP, decrease exercise-induced inflammation and support healthy ageing. 50 mg/day.

Verbasnol

Rehmannia-derived leaf extract standardised for verbascoside antioxidants; promotes clear, youthful skin, joint comfort and oxidative-stress defence. 100 mg/day.

Olene

BosNext[®]

Highly water dispersible concentrated Boswellia extract (40% AKBA). Reduction of joint pain and stiffness. Neutral taste and odour. 100 mg/day.

Garlzac[™]

Aged Black Garlic extract that effectively reduces cholesterol, triglycerides, blood pressure, fasting blood glucose, and improves HDL cholesterol and overall health. 500 mg/day.

Ginfort[®]

Ginger extract with 26% gingeroids. Reduces menstrual pain in subjects with primary dysmenorrhea: 200 mg/day. Clinically proven for functional dyspepsia: 400 mg/day.

MacOlene[™]

Herbal composition developed to support eye health, specifically targeting conditions like age-related macular degeneration (AMD) and diabetic retinopathy. 800 mg/day.

Smartamide[™]

Palmitoylethanolamide (PEA), expertly formulated to provide superior pain relief and enhanced bioavailability.

Synura[™] Advanced

5-ingredient, proprietary blend of botanical extracts and nutrients is clinically validated to support male sexual health and endurance. 900 mg/day.

Omniactive

Capsimax

A concentrated extract of capsaicinoids from red chili peppers, known to promote energy production, support healthy body composition. 100 mg/day.

CurcuWin Ultra[™]

Curcumin Extract 20%. Highly bioavailable curcumin has been clinically shown to help promote joint comfort and mobility. 250 mg/day.

Gingerer

High-potency ginger extract for digestive and immune health. Suitable for diverse applications. 120 mg/day.

Lutemax2020

Essential for eye health, filters blue light. Reduces stress by lowering cortisol levels, promotes relaxation. 20 mg/day.

OmniXan[™]

Natural zeaxanthin pigments, provides a source of vegetable carotenoids and antioxidant nutrients to support eye health and vision.

BRANDED INGREDIENTS

SleepRoot

Standardized Valerian root extract (*Valeriana officinalis*) with high valerenic acid content; targets stress-related sleeplessness and improves sleep quality and latency. 200 mg/day.

Probionova

novaSMART combo

It supports brain health by protecting neurons from oxidative damage, while also preventing cognitive decline and mood disorders, enhancing mental well-being. 4.5 billion CFU/day.

FLORnova combo

This combination promotes intestinal integrity and shields against inflammation, helping to rebalance the gut microbiota for a healthier digestive system. 5 billion CFU/day

novaMETABOLISM combo

Probiotic-based metabolic support complex improving liver health and lipid accumulation. 7 billion CFU/day.

novaPROX combo

It contributes to prostate health by reducing uncontrolled growth and defending against oxidative and inflammatory damage, ensuring a balanced function. 2 billion CFU/day.

novaBLG1

Protecting skin cells from free radicals and oxidation, it stimulates keratinocyte proliferation, improving overall skin health. 1 billion CFU/day.

novaCardio Q5

Helping reduce cardiovascular risks associated with metabolic diseases, it also enhances heart health with a phytocomplex derived from mulberry leaves. 1 billion CFU/day.

novaLIN A7

This product supports insulin balance and improves metabolic function, promoting better blood sugar control through mulberry leaves phytocomplex. 3 billion CFU/day.

novaFERT combo

It stimulates ovarian metabolism and fosters hormonal balance, supporting female reproductive health by regulating FSH and LH levels. 2.5 billion CFU/day.

novaBIOME combo

Restoring vaginal microbiota, it encourages the dominance of *Lactobacillus spp.* while reducing harmful *Candida spp.* and enteropathogens for improved vaginal health. 4 billion CFU/day.

Phynova

Reduceose™

Mulberry Leaf extract 5% 1-Deoxynojirimycin (DNJ). Blood sugar management with instant effect. Full-spectrum benefits. 250 mg/day.

Pharmactive

ABG10+®

A unique aged black garlic ingredient with potent antioxidant and cardioprotective properties. 250 mg/day.

AffronEye®

Saffron Extract 3% Crocin. Orange fine powder. Aqueous extract. Contains dextrin. For vision support. 20 mg/day.

KWD+®

High performance kiwifruit extract 16000 CDU/g. Prebiotic effect. Protein digestion and absorption booster. 300 mg/day.

Sesqium

Cibium

Hemp-free botanical modulator of the endocannabinoid system, rapidly easing pain & inflammation while balancing mood, stress and sleep. 200 mg/day.

Sunway

Exo-BDNF

A next-generation psychobiotic that enhances BDNF expression, supporting cognitive and brain benefits. 50-100 mg/day.

BRANDED INGREDIENTS

Synapharm

ATA Mg®

Unique and innovative Mg+Taurine with high bioavailability. Clinically tested for stress management, anxiety, migraine and premenstrual syndrome symptoms. 800 mg/day.

Taiyo

SunActive®

A water-soluble isoquercitrin for enhanced ingredient bioavailability. Applied to iron, magnesium, CoQ10, and zinc. Water dispersible.

SunAmla®

70% fermented Amla Fruit Juice + 30% fermented Indian Guar Bean Fiber. Supports immunity and digestive health. Antioxidant. 400 mg/day.

Sunfiber®

Water-soluble bean fiber derived from the Indian guar bean. Prebiotic for digestive health and microflora balance. 100% natural. 5-15 g/day.

Sunphenon®

Green tea extract with 30% natural L-theanine. Double water infusion process. Decaffeinated. Antioxidant, anti-microbial, deodorant and thermogenic (fat burning) activities.

Valensa

USPlus®

A lipidosterolic extract of saw palmetto for hair, prostate and urinary health. 320 mg/day.

10KATE Laboratories

Nuviol II®

A pure, undenatured type 2 collagen with preserved structure for efficacy, available in Chicken and Salmon variants.

VIVATIS PRODUCTS

Greenluronic® (Organic)

Greenluronic® is a patented botanical hyaluronic acid from Tremella fuciformis, providing superior hydration and joint support. Unlike traditional sodium hyaluronate, it is vegan, sustainable, and sets a new standard in skincare and joint care. It improves skin hydration, boosts elasticity, and reduces inflammation. 200 mg/day.

GreenDroitin®

GreenDroitin® is a vegan chondroitin sulfate from Tremella fuciformis, offering superior bioavailability and effective joint support with a smaller dosage. It helps maintain joint health, reduces inflammation, and promotes cartilage integrity. 200 mg/day.

VivaBiome

VivaBiome is a prebiotic fiber blend with Konjac glucomannan, designed to support weight management, glucose control, and cholesterol lowering by promoting a balanced microbiome with gentle fermentation.
