

**Smart Beauty Stick**

**DiTriX**

COLLAGEN REWRITTEN

# THE SCIENCE BEHIND THE CONCEPT

## Why Greenluronic®

The only botanical hyaluronic acid.

Effective at **100 milligrams daily dose**.

**Enhanced matrix activity:** Better results in endogenous collagen and elastin production.

**Targets CD44 receptors,** promoting cellular hydration and skin vitality.

**Proven synergy** with collagen.

## Why DiTri

COLLAGEN REWRITTEN

Collagen tripeptide rich in **Gly-pro-hyp**.

**Superior bioavailability.**

Effective at **1,5 grams daily dose**.

Benefits in **skin elasticity, hair and nails health, muscle repair and tissues regenerations.**

**Targeted cellular signalling (TGFb).**

Excellent solubility and neutral taste.

\*The Greenluronic® product and its process are protected by a worldwide patent application.

# THE ADVANTAGES OF COMBINING BOTH

Next-generation collagen performance.

Low-dose, high-performance formulation.

Clear differentiation vs. standard collagen and HA combinations.

Optimizes cost-in-use without compromising efficacy.

Ideal for **nutricosmetics and healthy aging concepts.**

## Backed by EFSA-approved Health Claims (Regulation (EC) No 1924/2006):

- Vitamin C contributes to normal collagen formation for the normal function of skin.
- Vitamin C contributes to the protection of cells from oxidative stress.
- Vitamin B3 and B7 contribute to the maintenance of normal skin and hair.
- Zinc contributes to the maintenance of normal nails.
